## A propos de l'artiste

Hey there, musicians! I am a hobby composer, I compose mainly for children, as I still have to learn a lot to compose more virtuous pieces, and that's how I found this site - I find it amazing that many skilled musicians share their art without asking anything in return! I studied playing the piano for some years as a school girl, but I don't have an education on composing, so don't be too harsh on me, otherwise just have fun! I hope that some of you will find some joy in playing my pieces!
