# I Have Found

(Julie)

Words and Music by  
William Finn

The first system of musical notation consists of a grand staff with a treble and bass clef. The treble clef part begins with a treble clef, a key signature of two flats (B-flat and E-flat), and a 4/4 time signature. It contains a melodic line with eighth and quarter notes, starting with a first-measure rest. The bass clef part contains a bass line with a first-measure rest and a long, low note held across the first two measures.

The second system of musical notation continues the grand staff. The treble clef part continues the melodic line. The bass clef part continues the bass line with a long, low note held across the first two measures.

The third system of musical notation includes the first line of lyrics. The treble clef part has a first-measure rest followed by the lyrics "I be - lieve and I have found". The bass clef part continues the bass line with a long, low note held across the first two measures.

The fourth system of musical notation includes the second line of lyrics. The treble clef part has a first-measure rest followed by the lyrics "hy - per - bo - le is not what makes the world go round". The bass clef part continues the bass line with a long, low note held across the first two measures.
