Album: First Love

Tuning: Standard

This song is of course originally played on piano, but it is such a beautiful song that i just had to put it into guitar. I've seen quite a few tabs for this song, but all of them are just one hand, this one is both hands transcribed for two guitars (preferable acoustic). THERE ARE SEVERAL WAYS OF PLAYING THIS. this is just the one i prefer the most, i encourage you to make this tab your own and add your own stuff to it because this is just the basic movement of the song. IF YOU WANT TO HEAR THIS VERSION PLAYED please check out my acoustic project at www.myspace.com/stringsnotesmusic i have it there played by me with acoustic guitar.

sorry for the long intro here we go.
