Wake up you sleep-y head,

put on some clothes, shake up — your bed, put a-no-ther log on the fire — for me.

I've made some break-fast and cof - fee. Look out my win-dow, what do I see? a

crack in the sky, — and a hand reach - ing down to me, all the night-mares came to - day,

and it looks as though they're here — to stay.

What are we com-ing to?

2°:
 Look out at your children
 See their faces in golden rays
 Don't kid yourself they belong to you
 They're the start of the coming race.

The earth is a bitch
 We've finished our news
 Homo sapiens have outgrown their use.
 All the strangers came today
 And it looks as though they're here to stay.

Oh! You pretty things *etc.*
