I was June and you were my Johnny Cash  
 No one without the other, we made a pact  
 Sometimes when I miss you, I put those records on, woah

Someone said you had your tattoo removed  
 Saw you downtown, singing the blues  
 It's time to face the music, I'm no longer your muse

But in another life, I would be your girl  
 We keep all our promises, be us against the world  
 In another life, I would make you stay  
 So I don't have to say you were the one that got away  
 The one that got away

The one, the one, the one  
 The one that got away
