METHODS, TECHNIQUES AND AUDITION MATERIALS

SNARE DRUM

Thank you for your interest in the 2012 Bluecoats Snare Line. This booklet is designed to help you become a better musician and to help you have a successful audition experience. Please read everything in this booklet carefully and prepare all of the required material to the best of your ability.

The Bluecoats will be hosting audition camps in Texas, Ohio, Southern California, and Georgia on separate weekends in November and December. Attending a camp gives us an opportunity to get to know you and allows you a chance to experience life as a Bluecoat member.

Audition Camp Dates and Locations

November 18-20 Austin, TX
November 25-27 Canton, OH
December 4 Mission Viejo, CA
December 11 Atlanta, GA

Following the completion of your audition weekend, you will have a clear understanding of where you stand and whether or not you have been selected to continue in the auditions process.

The Process

The audition will be broken down into two parts:

1. Individual evaluation
2. Ensemble performance

During the individual evaluation, you will be asked to perform exercises from this packet as well as other basic rudimental skills. Expect to receive immediate and detailed feedback from an instructor during your individual evaluation.

In the ensemble environment, we will be looking for your ability to blend, balance, and adapt. As we work through the technique program, specific explanations of approach will take place. Your ability to keep an open mind and incorporate the Bluecoats way of doing things will be crucial.
